

Additional Pupil-Free Days

Our most recent correspondence from the Department of Education and Training at 8:48 Friday evening approved 2 additional Curriculum Days to facilitate the possibility of Home Learning.

Teachers and schools are working hard to prepare for the possibility that we will need to move at some stage to more flexible learning arrangements, including remote learning. The Minister of Education today approved an additional two pupil-free days. The first is scheduled to be held on the last day of this term – Friday next week – and the second will be on the first day of Term 2 after the coming school holidays. This will provide an important opportunity for our school to consolidate our preparations.
