

Streeton Primary School

Respect, Learning, Creativity, Fun, Teamwork

Dear Parents and Carers,

As a courtesy reminder, further to previous correspondence, students are currently on school holidays.

Our teachers are working hard this week to prepare take home packs and information regarding what the home learning scenario might look like in the event of remote learning.

We will have these packs available for collection on Friday 27th March. We ask that parents do not open the packs or begin the work until the Department stipulates we are remote learning from Wednesday 15th April.

Please note, teachers will not be sending home work for the holidays.

Collection Process

Collection will take place between:

- 10:00am – 11:00am
- 1:00pm – 2:00pm

At the collection points there will be grade lists. Please sign your name next to your child's name.

If you are unable to collect your pack you can ask a friend to collect it for you. Please note, they will need to sign on your behalf next to your child's name. There is no need to notify the office if you are assigning someone else to collect your pack/s.

There will be three locations for collection –

Foundation, Year 1 and Year 2 – 1/2M Classroom

3/4 collection – School Library

5/6 – School Hall

Regards,
Bronwen Lamond and Fiona Catton
