## STREETON NEWS

This week I took our School Captains to the National Young Leaders Conference at the Melbourne Exhibition and Convention Centre. This conference is where thousands of student leaders gather to hear guest speakers talk about leadership and self-development. This year we heard speakers such as:

Jane Bunn- Channel 7 Weather Presenter

Anastasia Woolmer – Australian Memory Champion and Competitor on Survivor

Bryson Klein- Australian Ninja Warrior Finalist

Melissa Barbieri- Matilda's captain

It was a great event for our School Captains, if you happen to see them in the yard, please ask them about the day.

### School Council elections

Next week I will start seeking nominations from the parent/carer and staff community for the 2024 School Council. School Council is a governing body at a school and oversees as well as makes decisions on some of the following issues:

- Local school policies. (eg. Uniform, homework)
- Local finances including school fees
- Local Strategic Direction
- Contracts such as Out of School Hours Care and Canteen operations
- Principal appointments ( No. I'm not planning on leaving!)

And more.

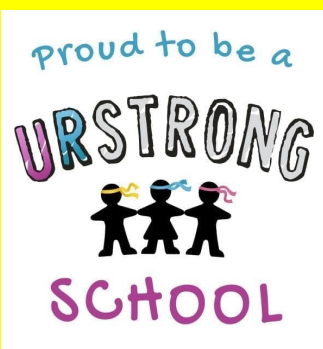

I will call for nominations via compass. If you are interesting in nominating yourself or someone else, you must complete a nomination form which will be at the office.

Once nominations have been received, I will then call for elections if necessary.

If you have any questions, please feel free to speak to me.

## Curriculum Day -Thursday Feb 22nd

This Thursday is a Curriculum Day. Staff will be completing their final training session on the Berry St Education Model which is a trauma informed model designed to support students in wellbeing.

### District Swimming

The Watsonia District Swimming Carnival will also be held on Thursday Feb 22nd at WaterMarc. Parents/carers are expected to transport students to and from the event. I will be at the event to help students find their way and parents/carers are welcome to stay for the events. Mrs Lieschke is coordinating the teams so please speak to her if you have any questions. I wish our swim team all the best.

## NAPLAN

Just to remind families again that NAPLAN testing schedule will occur between March 13-21st. This is a national test for students in Years 3 and 5. Practise sessions are being organised for all students in order to prepare students to work in exam conditions. Students may find it challenging at first but do adjust for the tests. Most tests will be done online. (except Yr 3 writing test).

If you have any questions about the NAPLAN tests, please speak to me or Mr. Pain

Concrete anyone?

I am still seeking anyone who may know a concrete expert who can help lay the slab for our new outdoor learning centre which will start construction soon. The slab is about 9x7m. Please contact me if you know anyone who can help provide a quote.

Have a great weekend everyone

# STREETON NEWS

Today, the School Captains convened at Watsonia Train Station at 7:45 am to board a train bound for the city. Melbourne Convention Centre. Upon reaching the Melbourne Convention Centre, they made their way to the expansive stage surrounded by numerous seats, where up to 4,000 leaders had gathered.

They had the opportunity to meet various inspiring figures, including the host, Anastasia Woolmer (Science/Environment), Bryson Klein (Sport), Jane Bunn (Media), and Melissa Barbieri (Sport). After a fulfilling day in the city, they returned to the train station and arrived back around 3:25 pm, concluding their memorable adventure.

## Free Health, Wellbeing and Development Checks for Prep Students

Dear Foundation Parents/Carers,

The Primary School Nursing Program is a free service offered by the Department of Education to all prep/foundation students and their families during their child's first year of school.

The program aims to assist in the early identification of children with potential health, wellbeing or development concerns which may impact on their education and offers screening (such as hearing, vision, speech, dental and motor skills) as well as advice, information and referrals to other health and support services.

Parents / carers can support their child's participation in the program by completing an online School Entrant Health Questionnaire.

You can access and complete the online questionnaire on a mobile phone, computer or tablet. A paper version of the questionnaire is available from your child's school if you prefer.

Once the questionnaire has been submitted, the Primary School Nurse will visit your child's school to conduct further health screenings for students that require it. The nurse may contact you to further discuss any concerns raised in the questionnaire, using the details you provided.

Soon, information about the Primary School Nursing Program, including how to access and complete the School Entrant Health Questionnaire, will be sent home. Participation in the program is not mandatory and parent/carer consent is required for the Primary School Nurse to see your child. If you do not wish to participate, you are encouraged to register and select 'No I do not consent' in the online questionnaire so that your response is recorded.
