STREETON NEWS

Students have been very settled in completing their NAPLAN assessments this week. NAPLAN is a national test for all students in an Australian school in Years 3, 5, 7 and 9. This week students have completed a writing assessment and a reading assessment. Next week students will complete Language conventions, spelling and maths assessments.

As a school we use the NAPLAN data to examine areas of student learning we need to improve on or celebrate. We also can support students using NAPLAN as one form of data/evidence. If you have any questions, please feel free to contact myself or Mr. Pain (NAPLAN Coordinator)

Professional Practice Day. Monday March 18th

Just a reminder to families that there will be no classes on Monday March 18th. This day is called a Professional Practice Day as authorised by the Department of Education. Staff will be working with a Literacy program called PhOrMes. We have an expert who will be providing professional learning on Monday and will come and see/assist staff implementing the program during Term 2. This is all part of our Science of Learning instructional model which commenced at the start of Term 3. You can read about PhOrMes at www.phormes.com

Emergency Evacuation Practise

On Wednesday March 20th we will have our first emergency evacuation practise. This term we will evacuate the school onto the oval. This may trigger a response in some children and we will be aware and supporting any child who needs assistance.

STREETON NEWS

Help around the school?

Are there any parents who can assist in spreading mulch under high traffic areas of the playgrounds? I would be very thankful to any parents/carers to come for an hour or two to help out during or outside of school hours. Please let the office know if you can help.

Temporary staff changes

Ms Matschke will be completing a pre-service teaching placement over the next two weeks as part of her university studies. This means that until the end of the term, we will have Ms. Ackland and Mrs. Hatcher working in the office during this time.

Ms. Lieschke will also commence a week of leave next week and Ms. Zara Hughes will be the replacement.

COVID/Sickness

There have been a number of COVID cases over the last week among students, parents and staff. If anyone has a positive test or is unwell, please stay at home. We do not want COVID to spread further. COVID tests are available at no costs from the local public library.

Have a great weekend everyone,

Leon Bell
Principal

Australian Kookaburra Kids Foundation's clinically designed, free programs are delivered by trained leaders and volunteers to combine mental health education with fun! Our approach breaks down barriers to deliver more effective programs, foster connections, build resilience and teach positive help seeking behaviours and stress coping strategies.

Through camps, activity days and online connect sessions, we provide a unique stepped care model to young people aged 8-18 years who are impacted by family mental illness. To learn more about us visit
