## STREETON NEWS

This week construction has commenced on our Covered Outdoor Learning Area (COLA). This space will be used for outdoor learning activities such as Farm to provide shelter in adverse weather and as an extra space for activities that require further breakout spaces. We hope to also have some community events in the new COLA space.

This space has been funded by the North East Link project and we are grateful for their support.

### School Camp

Next week is school camp for our upper school students. (Mon -Wed). I would like to remind families that we will leave for Phillip Island around 9am. All students can bring their luggage to the community space in front of the hall. Any child who takes medications will need to register medications with staff.

This can be done from 8:20am on Monday in the spare classroom opposite our staffroom.

It will be a quiet few days for our Junior School. There will be disruptions to the regular schedule due to staff attending camp. Ms. T will be taking the year 2 students from 2/3 R and any students not attending camp from the upper school. Miss Rafferty will be attending camp. There will be no assembly on Monday.

I will attend camp for the first night and Ms Rose will be in charge of the school. We will swap during camp on Tuesday and I will return to school.

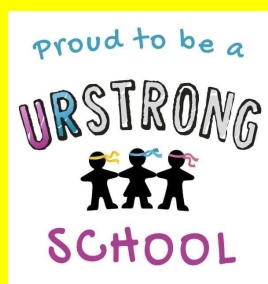

We hope campers will return by 3:30 on Wednesday but it will all depend on traffic. Please keep an eye on compass for updates from the camp group about arrival times.

If you have any concerns about camp during next week, please contact the office and they will contact staff attending camp.

# STREETON NEWS

Thursday May 9th will be a recovery day for students (and staff) from camp. The upper school will have a very light program for students who attend school. Normal classes will resume on Friday May 10th

The weather looks fantastic and I know everyone will have an amazing experience.

## Parent feedback

If you have any concerns with anything around the school including after school care, please email the relevant staff or contact the office. Even if you are unsure about something, we are happy to investigate. I am aware that a number of families are contacting each other via messaging apps but not providing feedback to us so we can rectify the issue. We welcome feedback both positive and areas that need improvement. Emailing relevant staff via compass is the best way to communicate and families are welcome to contact the office.

## Individual Education/Support Plans

Individual Learning Plans and other support plans for students requiring support should now be available on compass. Please check to ensure you can see these plans. These plans were designed with families, teachers and other support staff. If you have been part of these meetings but cannot see the relevant plans, please contact then office.

## 2024/2025 enrolments

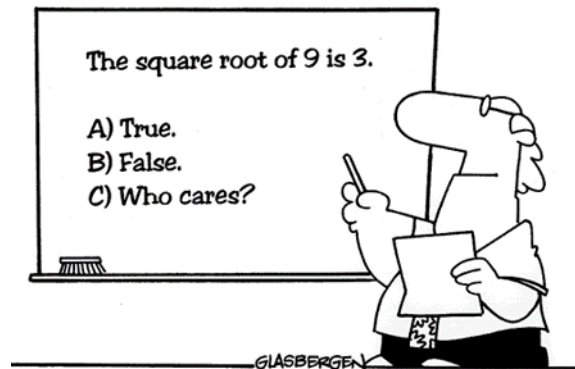

We are still taking times for tours if anyone is interested. In a few weeks we will have local kinders visit our school. Families can book a tour via the office.

Have a great weekend everyone,

Leon Bell

**Many students actually look forward to Mr. Atwadder's math tests.**

Who? The Streeton Community.

What is Walk Safely to School Day 2024 all about? It aims to improve the environment and our daily exercise routines.

Can't walk all the way? That is okay! An idea is to park a street away from school and walk from there.

When? Walk Safely to School Day will be celebrated on Friday the 10th of May 2024.

From Junior School Council
