

Open Morning

thank you

On behalf of Streeton Primary School, thank you so much for visiting us on Saturday the 14th March to learn about our terrific programs and the wonderful opportunities we offer our students. We are very proud of our school and felt it was a great success.

Naturally, there may be further questions you have and we would be delighted to assist in any way possible. Please feel free to contact us via email or phone - streeton.ps@edumail.vic.gov.au or 03 9435 6070.

We do hope you enjoyed your visit to our school.

Best wishes,
Fiona Catton
